5.4 Bus Shelter.

The Clerk reported that he had received another e-mail regarding graffiti at the bus shelter on Fakenham Road . On inspection it was found that this was another instance, this time using silver metallic paint. It was agreed not to do any thing at the present time as to clean it off again could mean that another instance would occur. It was agreed to respond to the person complaining stating the Parish Council's decision and that it would consider possibly painting the inside of the bus shelter in the future and hoped that the person would assist with this.

Councillor Rose proposed and Councillor Leigh seconded the resolution that NO OBJECTION be raised to the extensions but an OBJECTION be made to the cart shed/garage. An objection had been received from a neighbour and it was agreed that the siting and size of the cart shed/garage would overshadow the neighbouring property. It was also agreed to comment that the Parish Council was disappointed that the extension had already commenced before planning permission had been received and that the number of trees removed from the site was excessive in a rural area and not environmentally friendly.
