Councillor Leigh stated that as this revised application is now all one dwelling she now had no objection. Councillor Turner did not feel that this classed as a barn and it is still outside the settlement boundary, and why does the plan state that there is parking for a new dwelling when it is not. He stated that he still opposed the application.

Councillor O'Donovan had no objection as all facilities are there.

Councillor O'Donovan proposed and Councillor Leigh seconded the resolution that no objection be raised. This was passed by a majority decision. It was agreed that the additional parking spaces for a new dwelling would be queried and that the documentation still refers to a new dwelling.
