The vacancy is to be advertised in the Link-up and Gressenhall News and Views.

Confirmation had been received from the solicitors that the land has now been registered in the name of the Parish Council. It may be necessary in the future to have this area of land mown at the same time as Beetley Meadows is cut.

5.1.3 Vale Farm.

Breckland Council had replied to the request from the Parish Council as to why the barn had not been advertised stating that the building is remote and more importantly close to the principal dwelling. It was stated that the barn has been used and therefore clarification is to be sought from Breckland Council as to why their policy has not been followed. The Cabinet Member for Planning and the Development Control Committee Chairman are to be copied.

5.1.4 Deputy for the Portfolio Holder.

It was agreed as an interim measure that the Clerk be the Deputy.

5.2 Open Spaces.

5.2.1 Update.

Councillor Luck informed the meeting that he did not believe it is necessary to cut the whole of the Town Lands but to cut a path through the area to the boardwalk. As the Parish Walk is starting at the Town Lands a decision would be made after the walk. The Parish walk was confirmed as 8 July meeting and finishing at the New Inn and walking from the Town Lands. The landowner over which the footpath to the east of River Lane East Bilney had been requested to cut the field and this had been done within three days.

5.2.2 Risk Assessment meeting 22 June.

Following the meeting Councillor Luck agreed to check the swings, remove the Springer and fix the fencing. The Clerk and Councillor Luck will visit site to check the roundabout and any other items that need maintenance.

5.2.3 Use of the playing field at the School for an U11 Football Team.

The meeting was adjourned.

Gary Brown who is setting up the team to play in the South Norfolk League addressed the meeting. He apologised for the piece in the paper prior to permission being granted. He said there is not enough space in Dereham for the team and as his son is at Beetley School he thought it would be ideal to use the playing field as several other members of the side are also at the school. Funding has been found for the posts and a local business sponsor has also been found. There is a qualified coach and all are CRB checked. The aim is to play competitive matches at home and away in the league and is open to children from different schools. The

pitch would be used fortnightly on a Sunday. The club is covered for insurance and public liability. Girls are allowed to play up to the age of 11 and this may be extended to 14 in the near future. It costs £2 to train ,£2 to play and £20 to join.

Sharon Luck said that whilst the football that is played on Saturday morning at the School is competitive it is not in a league and whilst there are three pitches at the school a new one would have to be marked out for the team. She felt it would be disappointing to upset an already well established scheme. District Councillor Duffield suggested using the playing field at the Village hall.

A lengthy discussion followed.

The meeting was re-convened.

It was agreed that the better site for the side would be at the playing field on High House Road as there are better facilities in the changing rooms which have to be provided for elder children and therefore Gary Brown would attend the next Village Hall Committee meeting and the Clerk would inform the secretary of the committee.

5.2.3 Use of the playing field at the School for a football course.

A request had been received from Kick-Off Soccer to hold a soccer course at the school in the holidays. Whilst there was no objection the information received was scant and the Clerk will attempt to obtain further information and e-mail to all. It was agreed that a donation should be made to the school from the proceeds of the course if it proceeds.

5.3 Communications.

5.3.1 Update.

Beetley Buzz 34 had been published and distributed with the last of the 60 second interviews in so there is more space available and contributions are needed..

5.3.2 Website.

No further progress had been made at present and the Chairman wishes to progress this outside a meeting.

5.3.3 Welcome Packs.

The final draft that had been printed in Dereham was agreed and it was decided to print 20 initially so that each Councillor could have 1 and the rest held by the Clerk.

5.4 Highways and Transport.

5.4.1 Update.

The Chairman had spoken to East Bilney Garage Ltd. regarding the hedge covering the sign at Bilney Hill and this had been cut. Councillor Richmond stated that he could not cut the hedge near the signs on the B1145 as it would be necessary to climb a ladder. Any further signs that need clearing are to be reported to the Chairman who will contact the landowner requesting that the obstructions be cleared. The visibility splay at the junction of Stoney Road and Fakenham Road had been cut promptly following a request. The remaining visibility splays will be cut in the normal programme. The junction of Sorrel Lane and Holt Road needs clearing again.

5.4.2 Parking on Elmham Road.

A further letter had been sent but no response had been received. It was agreed that another letter be sent to the current headmaster although there had been a major improvement recently. Councillor Hayes would find out the cost of display boards with a view to purchase some with a contribution from the School.
